

	Old Way	New Way	Additional Comments
Logging into the website	Login to Pride Online Using Existing Password in the MyADPi section	Login to Pride Online using the link at the top left corner of the page. You must create a new account if you've never used Pi Portal or the Pi Cast learning center. If you have used Pi Portal, you will use those account credentials to use the new Pride Online!	Making a new account is easy! You don't need your member number, though it is helpful. You do need to know your chapter of initiation and date of initiation
Website Navigation	Menu items on the left	Menu items only on top	Navigation remains in the top so be sure to hover in the gold boxes to find additional pages
Search	Search for something with limited results	Search the site while logged in and find both secure and public content. Search the site not logged in and only get results for public content.	Try out the new search and let us know if you are having any problems
Chapter Locator	A list in alphabetical order which didn't tell you the state a chapter was in if you were unfamiliar with university affiliation or only knew a chapter by its Greek letters.	An interactive search map that lets you chose by state, or by selecting from a list that includes chapter name and university.	Check out the new contact information for chapters, which is pulled directly from Pi Portal and updated any time chapters make a change!
Alumnae Association Locator	A geographical map	An interactive map that lets you chose by state or by alumnae association name.	
Pride Online Files	Forms and documents spread out among numerous content pages	Forms and documents categorized by office in the new resource centers.	Look for your office and checkout how the new pride online is organized

Pride Online Navigation	Left-hand navigation	Top level navigation	Much like the new website navigation, you need to go to the top left-hand corner Pride Online link to find the navigation. It's an adjustment. But once you get the hang of it you will find that things are much easier to find and use!
Member Search	Search by name, but not by alias, making it difficult to find sisters who don't go by their given name	Search by name AND alias!	Check out your profile and update it to ensure that all content fields are complete!
Alpha Delta Pi Foundation	Small presence on the old site	New complimentary design with expanded content and presence!	The Foundation home page is also available at https://alphadeltapifoundation.org .
Mobile Friendly	Not mobile friendly at all	Clean, responsive design that works well on all devices!	
Social Media Integration	Links to our social media accounts on home page only	Twitter and Instagram integration on the home page and a Facebook widget on content pages. Links to our social media accounts in the header of all pages.
