INTRODUCTION

The purpose of this manual is to give you an understanding of the insurance coverage provided and the information you need to properly report all actual and potential Crime/Embezzlement, Directors' & Officers' Liability, Employment Practices Liability, General Liability, Property, and Workers' Compensation claims with which you may become involved. This document is intended to compliment and not replace the Alpha Delta Pi Risk Management Manual.

The final responsibility for the success of the insurance program rests with Alpha Delta Pi, its volunteers, staff, collegiate and alumnae chapters, and local house corporations/property management teams. It is always important to remember that the first line of defense in any potential claim matter is loss prevention, next is loss control, and the insurance contract is the final line of defense. The collegiate and alumna members' willingness to understand and assume the responsibility of sound risk management practices is a cornerstone of the program.

In the event of an incident or potential liability claim arises, Alpha Delta Pi Headquarters staff and Holmes Murphy will work with and/or oversee the effective handling of all incident and claim investigations. Included within this manual you will find an Incident Reporting Form that must be completed and submitted at the time of any incident that may result in a general liability claim, which typically involves bodily injury or third party property damage.

Holmes Murphy strives to provide risk management resources to complement the loss prevention and control efforts of its clients. Please visit www.holmesmurphyfraternal.com to review the Holmes Murphy website. You will find a number of risk management resources that can assist you in your daily life, information on your insurance protection, as well as online forms for purchasing property coverage, claim reporting and making requests for additional insured protection.

NATIONAL LIABILITY INSURANCE PROGRAM

The following description is a summary only and is not intended to serve as a substitute for the actual insurance contract.

The Alpha Delta Pi national liability insurance program provides Blanket Public General Liability Coverage for all participating chapters. Types of coverage are included at the end of this section.

The coverage is for bodily injury, third party property damage, and personal injury. This protects the recognized collegiate chapters and colonies, their respective officers and members, local house corporations/property management teams, alumnae associations, clubs or chapters, parents clubs and chapter-related educational foundations, including appointed volunteers, from claims arising out of bodily injury and property damage occurring out of chapter operations. It also protects against claims arising out of libel, slander, false arrest, invasion of privacy, eviction from the premises, and consumption of food and beverages and incidental malpractice.

It must be understood that our coverage is for general public liability. **It is not accident insurance covering members for injuries sustained on the chapter premises and/or in chapter activities.** Liability insurance is not a substitute for medical insurance. Furthermore, it is not Workers' Compensation insurance which may be required for employees.

Primary Insurer: Landmark American
Policy Period: March 1, 2017 – March 1, 2018
Policy Number: LHA111041

Primary Excess: Indian Harbor Insurance

- 2. PRODUCTS/COMPLETED OPERATIONS LIABILITY**
Covers preparation and consumption of food and beverages.

3. PERSONAL INJURY & ADVERTISING INJURY

Covers libel, slander, defamation of character, false arrest, detention, malicious prosecution, wrongful entry or eviction and invasion of privacy.

4. CONTRACTUAL LIABILITY COVERAGE

Under certain circumstances, the liability coverage of the Alpha Delta Pi insurance contract is extended to protect other parties with whom an Alpha Delta Pi chapter or local House Corporation may enter into a contractual agreement. No contract should be signed by any entity/chapter of Alpha Delta Pi without a complete understanding of liabilities being assumed and insurance coverage, if any, that is provided. When any questions arise, please contact your chapter advisor or Alpha Delta Pi Executive Office.

5. WATERCRAFT LIABILITY

Covers hired and non-owned boats/watercraft provided it is less than 51 feet in length.

6. INCIDENTAL MEDICAL MALPRACTICE

Covers liability that arises against an insured chapter or an individual who provides emergency medical care for injuries on or off our premises.

7. DAMAGE TO PREMISES YOU RENT

\$1,000,000 Damage to Premises You Rent. This is not a substitute for property insurance. Damage to Premises You Rent liability coverage provides coverage for liability arising against the sorority out of fire damage to a non-owned premise rented by the Sorority for any period of time, as well as other damage to a premise you rent for seven (7) or fewer days.

8. WORLDWIDE COVERAGE

Coverage worldwide for suits brought in the United States.

Secondary Excess Liability Program

\$5,000,000 Policy Aggregate per location/chapter

Who is an Insured?

The insurance coverage will pay claims for the following organizations and/or people (these are examples and not a comprehensive list):

- A. A collegiate chapter that is chartered and recognized by the Sorority **when it obeys the laws** of the institution, city, county, state and country in which it operates and the policies of Alpha Delta Pi Sorority. Collegiate chapter officers, executive board, committee chairman and members while performing the duties of their elected or appointed positions within the organization.
- B. All volunteer advisors, including the chapter advisor, while performing the duties of their elected or appointed positions within the organization.
- C. Local house corporations/property management teams while the directors and volunteers are performing their duties.
- D. Alumnae chapters, clubs and associations and chapter-related educational foundations, their respective officers and appointed volunteers while performing the duties of their positions.
- E. Parents clubs and their respective volunteers when acting within the scope of their elected or appointed duties.

Who is *not* an Insured under this policy?

- A. Any individual member, alumna, trustee or advisor who is performing tasks outside of their responsibility (e.g., spontaneous social function planned by an individual member, chapter advisor consuming alcohol with collegians, hazing of members, etc.).
- B. Any member whose illegal or intentional actions result in death or injury to an individual or property damage.
- C. Members' parents or family members and guests of chapter members.
- D. College/University administration (see Adding Additional Insureds below).

Adding Additional Insureds

Additional Insureds may be added to this policy. Such Additional Insureds may be your landlord, college, university and/or proprietor from whom the chapter may be renting property for a special event.

Please submit the Additional Insured Request Form included in the Appendix (which can also be found online at www.holmesmurphysorority.com) to: Holmes Murphy, Attn: Trude Smouse, Senior Client Service Consultant, 13810 FNB Pkwy, Suite 300, Omaha, NE 68154; Fax 800.328.0522; or e-mail tsmouse@holmesmurphy.com, kbarnes@holmesmurphy.com, etoupalik@holmesmurphy.com at least thirty (30) days prior to the date it is needed.

Upon review and approval of the Additional Insured request, a certificate of insurance will be issued by Holmes Murphy. The original will be sent to the Additional Insured with a copy to Alpha Delta Pi Headquarters and the requesting chapter if appropriate.

Proper function planning is critical to completing any Special Event in a safe manner! Please utilize the Alpha Delta Pi Event Planning Form to assist with your event planning. The form can be found in the Members Only section of the Alpha Delta Pi webpage. After logging in select HOME > MY ADPI> PRIDE ONLINE> CHAPTER RESOURCES> COLLEGIATE CHAPTER FORMS> ADMINISTRATIVE FORMS.

What does our coverage *not* include?

- A. Any claim against a collegiate member, volunteer or employee directly involved in the act of bodily injury and/or third party property damage from an incident resulting for example when:
 1. An illegal act was performed.
 2. An intentional act was performed.
 3. A contract made by the chapter was broken.
 4. An employee is hurt on the job. [Workers' Compensation coverage must be purchased.]
- B. Any claim of property damage to property owned by, rented by, used by or cared for by the chapter. For example, the chapter rents a portable generator for an outdoor function, and while the generator is in the care, custody and control of the chapter, it is damaged and the lessor holds the chapter responsible and liable. No coverage is available under Alpha Delta Pi's liability insurance contract. The only exception would be a premises rented for seven (7) or fewer days in which the \$1,000,000 "Damage to Premises You Rent" limit would apply.

Legal and Illegal Activity

Simply stated, no insurance policy in the world provides coverage for violations of the law. The Alpha Delta Pi insurance program is no exception to this rule. The key points to understand are:

- Compliance with federal, state, local and institutional (college or university) laws and regulations is required.
- Compliance with all regulations and policies of Alpha Delta Pi is required.

Those individuals who choose to violate these rules may void the protection for themselves under the Alpha Delta Pi insurance program. Every effort has been made to avoid having their actions jeopardize the other members, other entities or other named insureds protected by the Alpha Delta Pi program. The following brief examples are intended to provide illustration and do not represent legal advice.

- A. With the broad awareness of its membership, the chapter serves alcohol to a minor in violation of the law and Sorority policy at a chapter-sponsored function. In the event of an injury, claim or lawsuit, those persons found to be in violation of the law and/or Alpha Delta Pi policy (in this case the entire chapter) most likely would be without insurance protection. The other named insureds would be protected (e.g., the Sorority, local house corporation/property management team or alumna volunteer).
- B. Two of the members of a 65-member chapter cause injury to someone in connection with a hazing incident. This activity was unauthorized and done secretly without the knowledge of the chapter and is strictly against chapter policy. In the event of an injury, claim or lawsuit, those persons (in this case, the two members) found to be in violation of the law and/or Alpha Delta Pi policy would be without insurance protection provided by Alpha Delta Pi. The chapter, local house corporation/property management team, their respective officers and other volunteers would be protected.

Great effort has been made to ensure coverage will be provided to those individuals and entities exposed to claims. The intent is to provide coverage for claims that arise from ordinary negligence. Chapters and chapter officers are protected from the unauthorized actions of individuals. Chapter advisors are protected from the unauthorized actions of individual chapter members and the chapter as a whole, as are the chapter foundations and all other appointed alumna volunteers involved with Alpha Delta Pi.

SPECIAL EVENTS

In general, special events sponsored by a chapter are covered under the general liability policy.

Poorly planned events (e.g., social functions) are a primary cause of injury to our members and their guests. Proper planning is critical to the success of the event, avoiding injuries and controlling the costs of insurance protection.

We encourage chapter advisors and other volunteers to be engaged with the collegiate chapters in the proper planning of their events. The Alpha Delta Pi Event Planning form is available in the member only section of the Alpha Delta Pi website for your use. After logging in select HOME > MY ADPI> PRIDE ONLINE> CHAPTER RESOURCES> COLLEGIATE CHAPTER FORMS> ADMINISTRATIVE FORMS.

If the form is utilized and all sections are addressed, the guidance provided can do a great deal to help avoid an injury from occurring. If your event involves any athletic contest we recommend as a loss prevention tool use of the Athletic Event Participant Waiver found in the Appendix of this document. Use of the waiver is not mandated and if used copies should be retained by the undergraduate chapter.

Special Note:

The personal vehicles of members are not covered under this insurance program. Chapters are encouraged to engage a licensed third party transportation vendor who will provide professional drivers, rather than use of the personal vehicles of members or rental vehicles that will be driven by members.

LAWSUITS

There will be occasions when lawsuits may be served on a member of your chapter. As there is only a limited time to answer a lawsuit, the following procedure applies:

- a. Treat any potential or actual claim or lawsuit as a high priority item and immediately notify Alpha Delta Pi Headquarters by telephone (404.378.3164).
- b. Utilizing the Incident Reporting Form included in the Appendix, note all relevant information.
- c. Forward the suit to the Alpha Delta Pi Executive Director via facsimile (404.373.0084). If you do not have access to a fax machine, send the papers via overnight delivery to Alpha Delta Pi, Attention: Executive Director, 1386 Ponce de Leon Avenue NE, Atlanta, Georgia 30306. It is very important the claim or lawsuit be sent immediately.

GENERAL LIABILITY CLAIMS

General Liability claims can be numerous and usually arise out of activities of a chapter which cause bodily injury, property damage or personal injury to an individual. They will more than likely involve damage or injury to someone other than an employee or an officer of Alpha Delta Pi.

While on the scene, if possible, get names, addresses and phone numbers of all parties involved, as well as any witnesses to the accident. Immediately complete the attached Incident Reporting Form and submit to Holmes Murphy.

What should be reported?

Report bodily injury of anyone other than an employee and any third party property damage for which there is the possibility a claim may be made against Alpha Delta Pi. Complete the Incident Reporting Form included in the Appendix which will provide the needed information regarding the claim. If you question whether to report a potential claim, **report it!**

It is imperative all losses or incidents be reported immediately to Alpha Delta Pi (see phone numbers and address below). The Executive Director of Alpha Delta Pi is responsible for providing the initial report of the claim to Holmes Murphy. Once the claim report is sent to Holmes Murphy, you will likely be contacted directly by a Holmes Murphy representative or an insurance company representative to discuss the incident. If you are unable to obtain all necessary details when first notified of any incident, still report any known facts.

The success of the Alpha Delta Pi insurance program and our ability to obtain reasonably priced insurance is contingent upon accurate and timely reporting. It is incumbent upon you as a member of Alpha Delta Pi to report all known facts regarding bodily injury, property damage, or personal injury arising out of Alpha Delta Pi activities in a timely manner.

Proof of coverage will be issued via an evidence of property insurance once renewal premium is paid.

It must be understood, however, that this coverage does not insure the belongings of the individual members of the chapter. Each chapter member must secure private insurance for her personal property if she wants to have insurance coverage.

Alpha Delta Pi Property Coverage includes:

1. "ALL RISKS" OF PHYSICAL LOSS OR DAMAGE

Extends protection of physical loss or damage to include vandalism, malicious mischief, burglary, theft, etc. Coverage is included for all causes of loss except those excluded by the insurance contract.

2. REPLACEMENT COST COVERAGE

Provides for the full replacement of the building and contents owned by the chapter or local house corporation/property management team if the physical plant is damaged or completely destroyed, up to the limits of coverage purchased for their premises. If the property is insured to 100% of the Boeckh Valuation System (BVS) calculation completed by Holmes Murphy, Guaranteed Replacement Cost coverage applies. Guaranteed Replacement Cost coverage will pay for actual cost to restore the building to its pre-loss condition regardless of the stated building limit. All local house corporations/property management teams should at least annually assess the replacement cost of their premises to make sure the location is properly insured. All limits of coverage/value of property changes should be reported in writing to: Holmes Murphy Attn: Trude Smouse, 13810 FNB Pkwy, Suite 300, Omaha, NE 68154; Fax 800.328.0522; or e-mail tsmouse@holmesmurphy.com.

3. AGREED AMOUNT COVERAGE

The policy will pay only up to the values reported if Guaranteed Replacement Cost coverage is not maintained (see Replacement Cost Coverage section above for explanation). For example, let's say a local house corporation/property management team reports replacement cost building values of \$400,000 and does not maintain Guaranteed Replacement Cost coverage. If the chapter suffers a total loss and is in need of \$800,000 to replace the structure, the insurance carrier will only pay \$400,000.

4. BUSINESS PERSONAL PROPERTY (CONTENTS) COVERAGE

Provides coverage for chapter and local house corporation owned contents at the facility or other designated location.

5. BUSINESS INCOME (LOSS OF RENTS) COVERAGE

Provides for the payment of rental income to the local house corporation/property management team that would otherwise be lost if the house can no longer be occupied due to a fire or to other extensive damage that prohibits occupancy.

6. EXTRA EXPENSE COVERAGE

Provides for the payment of additional expenses that a chapter or local house corporation/property management team might incur if a fire or extensive property damage requires extraordinary expenditures.

7. EARTHQUAKE AND FLOOD COVERAGE

The property insurance program provides both Flood and Earthquake protection for the scheduled values of the local house corporation/property management team or collegiate chapter. For facilities located in California, an additional charge for Earthquake Coverage will be included in the premium billing and by law a local house corporation/property management team can choose to accept or reject the coverage. If California Earthquake coverage is rejected, a rejection form will need to be executed and can be obtained from Holmes Murphy.

8. WINDSTORM COVERAGE

The property insurance program provides windstorm protection including Named Storm and Hurricane protection. For facilities located in a Tier 1 (Coastal) County from Virginia to Texas or within the entire state of Florida, a deductible of \$10,000 applies should a loss occur.

9. LAW AND ORDINANCE COVERAGE

Provides the full building limit of coverage should the undamaged portion of the structure have to be torn down due to local building ordinances and reconstruction from ground up be required. Policy also provides \$1,500,000 as a combined limit for demolition and increased costs of construction (e.g., mandated installation of sprinklers, elevator, handicap ramp, etc.) to bring damaged structures up to current building code requirements following a fire or other extensive damage to a chapter house. The policy also provides coverage for the additional cost incurred in making infrastructure improvements to the property as required by local building code as a result of a covered cause of loss. As an example, a major loss occurs and a local building code requires that a brick wall be built around the perimeter of an existing trash dumpster. The Law & Ordinance provision of the policy will provide coverage for the cost to construct the brick wall. [Standard property insurance policies only require the insurance company to return the property to its original state and likely will not provide the additional funds needed to bring the property into compliance with current building code requirements.]

10. EQUIPMENT BREAKDOWN COVERAGE

Provides protection for losses suffered as a result of accidental damage or mechanical or electrical system failure in a chapter house from boilers, heating and cooling systems, hot water supply tanks, compressors, pumps, transformers, circuit breakers, electrical panels, etc.

What is covered?

The property insurance program will pay for property claims, up to the limit of coverage, resulting from a covered cause of loss for damage to or loss of:

- A) Building owned by the local house corporation/property management team or chapter.
- B) Contents owned by the local house corporation/property management team or chapter.
- C) Business Income (Loss of Rents) loss suffered by the local house corporation/property management team or chapter.
- D) Extra Expense suffered by the local house corporation/property management team or chapter.
- E) Boiler, Machinery or Electrical Apparatus owned by the local house corporation/property management team or chapter.

What is not covered?

- A) Damage to personal property of chapter members, employees or guests.
- B) Wear and tear to the facility.

Inspections

The property coverage underwriter requires that all facilities where a building is insured be inspected on a biennial basis. With inception of coverage and each subsequent renewal billing, one-half of the then prevailing inspection fee is assessed, which will be clearly included in the local house corporation/property management team billing to pay for the biennial inspection. The inspection report will include an overview of the property, physical plant measurements, pictures, recommendations for facility improvements, if any, and a replacement cost valuation. A copy of the inspection will be forwarded to the local house corporation/property management team renewal contact by Holmes Murphy. The expectation is that the local house corporation/property management team will comply with reasonable recommendations and necessary changes in insured values. A local house corporation/property management team member will be contacted by Holmes Murphy to set up a time for the inspection to be completed.

Association Fee

Alpha Delta Pi is a participant in the Fraternal Property Management Association (FPMA) property program. The goal of the FPMA is twofold: (1) to provide educational resources in an effort to make volunteers of the local house corporation/property management team better property managers; and (2) to provide a comprehensive property insurance program. Holmes Murphy, as administrator of the FPMA, publishes bi-annual newsletters that will be provided to the local house corporation/property management team renewal

contact by mail, with additional copies available online at www.holmesmurphyfraternal.com, along with other resources a volunteer may find of value. As with any association, an association fee of \$250 for housed properties and \$50 for unhoused properties is charged to cover the educational and administrative cost of operating FPMA.

2. Obtain temporary housing for any displaced residents of the facility. Your insurance contract should provide coverage for this cost if you purchased loss of rents and extra expense protection. Keep records and receipts of expenses for your claim.
3. Do what is reasonable and necessary to protect covered property from further damage (e.g., hire contractors to board up windows, clean up standing water, put tarp over hole in roof, and otherwise mitigate your losses). One provider of professional services in loss control is **ServiceMaster SRM** which can be contacted at **1.888.927.4877**. ServiceMaster SRM is a preferred vendor for our clients in which our office has established agreed pricing for emergency water, smoke and other types of mitigation and restoration work that becomes necessary immediately following a loss. Protecting the facility from further damage is a requirement of most property insurance policies, and reasonable expenses incurred are covered by the policy. Keep accurate records of expenses.
4. Contact Holmes Murphy (see page 7 for contact information). When reporting a loss, the following information is needed:
 - Date and time of loss
 - Type and location of loss
 - Estimated extent of damage
 - Name and number of local contact

5. If feasible, separate damaged from undamaged property and take inventory of the damaged items. Additionally, take photos of the damaged property once the facility and general area is secured and close proximity is feasible. If you have receipts for the original purchases of the damaged items, include them with the inventory.
6. Cooperate with the insurance adjuster in the investigation and settlement of the claim.

Certificate of Liability Insurance: This is a certificate issued by the insurance company detailing the particulars of the insurance coverage in place for all chapters and regions under the general liability policy. This certificate may be used to document the existence of coverages for chapters and regions. This document is not sufficient when a third party requests a certificate where they are named as an additional insured.

Certificate of Liability Insurance for an Additional Insured: This is a certificate issued by the insurance company detailing the particulars of the insurance coverage in place for all chapters and regions under the general liability policy. This document specifically identifies a third party as being expressly covered under the general liability policy for a specified period of time (e.g., an additional insured). This form of insurance certificate is often requested by facilities where chapters or regions are planning to hold events.

Special Event: Events other than those where Sorority business is the primary purpose of the meeting are considered Special Events. In general, all special events are covered under the general liability policy.

General Liability Insurance: Coverage that pertains, for the most part, to claims arising out of the insured's liability for injuries or damage caused by ownership of property, manufacturing operations, contracting operations, sale or distribution of products, and the operation of machinery, as well as professional services.
