

Alpha Delta Pi

BE THE FIRST

Legacy Introduction Form

This form is to be used to introduce legacies to collegiate chapters. A legacy is considered a sister, daughter, grand-daughter, great-granddaughter, or great-great-granddaughter of an initiated member of Alpha Delta Pi. Our policy is to give these women special consideration for membership since the initiation of these women strengthens family ties, giving the chapter increased support. Step-sisters, step-daughters, etc. are not legacies. However, a chapter may consider the family relationships involved. **Note:** the chapter is not required to notify you if the legacy is released from Alpha Delta Pi during recruitment.
