ALUMNA INITIATE PROGRAM

The mission of Alpha Delta Pi Sorority is to provide women with a meaningful lifelong member experience that empowers them to reach their full potential through leadership, educational, philanthropic, and social opportunities. Alpha Delta Pi Sorority encourages the proactive recruitment of alumnae initiates who exemplify the high ideals upon which our sisterhood was founded. Membership is a lifetime commitment and an honor to be conferred with careful consideration of its requirements and responsibilities. Alumnae initiates are members of Alpha Delta Pi with all the rights, responsibilities, and privileges thereof. Please read more about the Alumna Initiate Program on the Alpha Delta Pi website:

2. **Candidate Application:** Once the Alumna Initiate Sponsor Information form is submitted, the candidate will receive an email to complete the Alumna Initiate Candidate Application.
