

DUES VS. DONATIONS

We are one Alpha Delta Pi, with a shared sisterhood and philosophy, but in accordance with the Internal Revenue Code, the Foundation and Sorority are two separate entities. In 1983, the Alpha Delta Pi Foundation was formed to support the educational, leadership, and philanthropic activities of the Sorority. Each entity offers unique opportunities to support Alpha Delta Pi, but understanding the specifics can be challenging, which is why we've created this basic guide. We want you to know exactly where your dues and donations are going and how they make a difference in so many lives.
